# Mariano Rico

9 Oberon Ave, East Oakleigh, Vic 3166 | DOB 24 Jan 1974 | Australian Citizen

## Contents

## Citizenship

Australian citizen

## Preferred Contact

Email:   MarianoSeek@gmail.com

## Expected Salary

negotiable

## Computer Skills

- Tableau
- Microsoft Excel
- Xero Accounting
- Microsoft Access
- Microsoft Word
- Microsoft Power point
- Java Programming
- SQL Programming
- C# Programming
- Python Programming
- Html/CSS, JavaScript

## Other Languages

Italian (intermediate)

## Hobbies

Walking, tennis, windows programming, developing simple android apps for Play store.

## Experience

### COMPUTER PROGRAMMER | BOURSEDATA | 1998-2000

· Worked on a Financial System involving C++ Builder. After 2-3 years decided to pursue a career in statistics/mathematics as this was a passion of mine.

# Education (Transcripts Next Page)

**BACHELOR OF TECHNOLOGY-COMPUTING | JULY 2019- PRESENT| RMIT UNIVERSITY**

· Related coursework:
· JavaScript, jQuery, PHP, CSS, Html, Bootstrap
· Object-Oriented programming, Java, and C#
· Database and SQL
· User Centered Design
· Python Programming
· Financial Accounting, Mathematics.

**DIPLOMA SOFTWARE DEVELOPMENT | 10 JULY 2017-21ST JUNE 2019 | HOLMESGLEN TAFE**

· Related coursework: C# with Visual Studio including WinForms and ADO.net, Java with NetBeans, Android Studio, MySQL, SQL Server, Html, JavaScript, PHP etc.

**GRADUATE DIPLOMA STATISTICS | 2001-2002 | RMIT UNIVERISTY**

· Major: Statistics / Operations Research
· Related coursework: Statistical Methods, Regression, Forecasting, Operations Research etc.

# Academic Record - Official Transcripts Available

## RMIT University      July 2019-Present
Bachelor of Technology in Computing

**Semester 2 2021**

| | |
|---|---|
| Web Programming (JavaScript, CSS, PHP) | High Distinction |
| Cost Analysis and Organizational Decision | Pass |
| Software Engineering Fundamentals (Java) | Distinction |

**Semester 1 2021**

| | |
|---|---|
| Financial Accounting and Analysis | Distinction |
| Business Information Systems | Distinction |

**Semester 2 2020**

| | |
|---|---|
| Further Programming (Java) | Pass |
| Business Data Management & Analytics (SQL) | Distinction |
| Programming Fundamentals for Scientists (Python) | High Distinction |

**Semester 1 2020**

| | |
|---|---|
| Programming 1 (Java) | High Distinction |
| Statistical Computing | High Distinction |
| Mathematics & Stats | Distinction |

**Semester 2 2019**

| | |
|---|---|
| Introduction to Programming (Java) | High Distinction |
| Database Concepts (SQL) | High Distinction |
| User Centered Design | Distinction |

# Holmesglen Tafe    July 2017- June 2019
Diploma Software Development

## Diploma Graded Assessment

| | |
|---|---|
| Model data objects-Database Design MS SQL | Distinction |
| Model Preferred Systems Solution-Database Design2 MS SQL | Distinction |
| Create Cloud Computing Services | High Distinction |
| Apply Advanced Object-Oriented Language Skills | High Distinction |
| Apply Advanced Programming skills in another language | High Distinction |
| Implement security for Applications | High Distinction |
| Develop Advanced Mobile touch applications | High Distinction |

### Certificate IV Component- PX is the highest mark obtainable

| | |
|---|---|
| Design simple web page layouts | PX |
| Develop cascading style sheets | PX |
| Create basic databases | PX |
| Automate processes | PX |
| Apply introductory object-oriented language skills | PX |
| Apply introductory programming skills in another language | PX |
| Apply query language | PX |
| Build user interface | PX |
| Develop mobile applications | PX |
| Use a library or pre-existing components | PX |
| Apply skills in object-oriented design | PX |
| Develop data-driven applications | PX |
| Test applications | PX |
| Analyze software requirements | PX |
| Apply intermediate object-oriented language skills | PX |
| Model data processes | PX |
| Apply Intermediate Programming skills in another language | PX |
| Debug and Monitor applications | PX |
| Deploy an application to production environment | PX |
| Validate an application against specifications | PX |
| Apply testing techniques for software development | PX |
| Manage a project using software management tools | PX |
| Build using rapid application development | PX |

# RMIT University 2001-2002
Graduate Diploma Statistics/Operations Research

| | |
|---|---|
| Decision Analysis | High Distinction |
| Computer Packages | Credit |
| Statistical Methods | Distinction |
| Forecasting | High Distinction |
| Operations Research | High Distinction |
| Statistics in Industry | Distinction |
| Regression Models | High Distinction |
| Theory of Statistics | Pass |

LIFE Living it Fully Everyday

Welcome Visitor

Welcome To the LIFE website Car02

As the covid pandemic continues to make its impact on so many lives, we have build together this webite to strengthen individual ability to adapt to the crisis. Find here, on the right, media about surviving the pandemic including yoga, meditation, stretching and healthy diets that can be enjoyed at home during lockdowns, including a Personal Meal Plan.

Other content such as registration can be found at at the bottom
